ACTIVITY: TRAINING WORKSHOP ON HIV/AIDS, 4TH AUG, 2022
VENUE: MUMBAI DISTRICT AIDS CONTROL SOCIETY, WADALA (W)

NSS unit of Atharva College of Hotel Management and Catering Technology had participated in training workshop on HIV/AIDS by Mumbai District Aids control society. 2 students participated in this workshop.

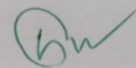

HIV (human immunodeficiency virus) is a virus that attacks the body's immune system. If HIV is not treated, it can lead to AIDS (acquired immunodeficiency syndrome). There is currently no effective cure. Once people get HIV, they have it for life. But with proper medical care, HIV can be controlled. Students got aware about how to prevent or measures to be taken in order to control spread of HIV/AIDS.

Outcome of the event: A public awareness drive to influence behavior change and encourage openness; Increase access to voluntary HIV testing and counseling; Promote increased condom use to reduce the spread of STD and HIV infections; Improve the treatment of people living with AIDS.
