## Core Values

The Core Values of Atharva college of Hotel Management are Integrity, Service and Quality.

These core values of the Institution focus on guiding the practice and development of curriculum, faculty, students, and staff.

- **Integrity** – Conduct all activities in an ethical manner. Commit to practices that are fair, honest, and objective in dealing with students, faculty members, staff, and all other members of the institution
- **Service** – Strive to ensure that curriculum, delivery, and support services are aligned with providing students with quality education and guidance
- **Quality** – Provide educational programs that enable students to acquire knowledge and skills necessary to help them enter, survive and advance in their career in the industry
