Showcasing Industry Learning: Semester IV Viva Examinations

The Semester IV Viva and Practical Examinations for Second Year BA/B.Sc. students who successfully completed their internship training were conducted from 8th to 10th June 2026. As part of the assessment process, students presented the knowledge, skills, and professional competencies gained during their industry exposure. They appeared before the examination panel with their updated log books, training reports, PowerPoint presentations, internship certificates, appraisal forms, college ID cards, and other supporting documents.

The examinations served as an important platform for students to showcase their practical learning experiences and understanding of industry operations. Throughout the assessment, students demonstrated professionalism through proper grooming, discipline, punctuality, and confident presentation skills. This significant academic milestone successfully bridged classroom learning with real-world industry experience, further preparing students for rewarding careers in the hospitality and service sectors.
